

Level 1 - Foundations of Professional English

Description

Begin your journey with the essentials of English communication in a professional setting. This level focuses on basic grammar, vocabulary, and sentence structure to help you express ideas clearly. Learn to introduce yourself, write simple emails, and engage in basic workplace conversations with confidence.

Key Skills Acquired

- Greetings and introductions
- Simple email writing
- Understanding workplace instructions

Target Audience

This course is ideal for:

- Absolute beginners in English
- Individuals with minimal prior exposure to English
- Anyone looking to build a strong foundation for professional communication

Duration

Recommended pace: 4 weeks (2 sessions per week)
